Subject: Label Amendment – Supplemental label for new cotton use approved 11/4/2016
Product Name: Stratego YLD Fungicide
EPA Registration Number: 264-1093
Application Date: 1/24/2017
Decision Number: 525504

Dear Ms. Fernandez:

The amended label referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide and Rodenticide Act, as amended, is acceptable. This approval does not affect any conditions that were previously imposed on this registration. You continue to be subject to existing conditions on your registration and any deadlines connected with them.

A stamped copy of your labeling is enclosed for your records. This labeling supersedes all previously accepted labeling. You must submit one copy of the final printed labeling before you release the product for shipment with the new labeling. In accordance with 40 CFR 152.130(c), you may distribute or sell this product under the previously approved labeling for 18 months from the date of this letter. After 18 months, you may only distribute or sell this product if it bears this new revised labeling or subsequently approved labeling. "To distribute or sell" is defined under FIFRA section 2(gg) and its implementing regulation at 40 CFR 152.3.

Should you wish to add/retain a reference to the company's website on your label, then please be aware that the website becomes labeling under the Federal Insecticide Fungicide and Rodenticide Act and is subject to review by the Agency. If the website is false or misleading, the product would be misbranded and unlawful to sell or distribute under FIFRA section 12(a)(1)(E). 40 CFR 156.10(a)(5) list examples of statements EPA may consider false or misleading. In addition, regardless of whether a website is referenced on your product's label, claims made on the website may not substantially differ from those claims approved through the registration process. Therefore, should the Agency find or if it is brought to our attention that a website contains false or misleading statements or claims substantially differing from the EPA approved registration, the website will be referred to the EPA's Office of Enforcement and Compliance.

Your release for shipment of the product constitutes acceptance of these conditions. If these conditions are not complied with, the registration will be subject to cancellation in accordance

Decision No. 525504

with FIFRA section 6. If you have any questions, please contact me by phone at 703-308-9443, or via email at kish.tony@epa.gov.

PS—please be advised in the future that the Agency requires Supplemental labels be submitted concurrently with new use amendments.

Sincerely,

A handwritten signature in black ink that reads "Tony Kish". The signature is written in a cursive style with a large, sweeping initial "T".

Tony Kish, Product Manager 22 Fungicide Branch

Supplemental Label

**KEEP OUT OF REACH OF CHILDREN
CAUTION**

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling. Do not apply this product in a way that will contact workers or other persons, either directly or through drift. Only protected handlers may be in the area during application. For any requirements specific to your State or Tribe, consult the agency responsible for pesticide regulation. Read this label and the product package label before using this product. This Supplemental Label must be in the possession of the user at the time of pesticide application. Follow all applicable directions, restrictions, Worker Protection Standard requirements, and precautions on the product label for STRATEGO® YLD Fungicide attached to the container.

COTTON	
Disease(s) Suppressed	Rate fl oz/acre
Foliar	
Target Spot (<i>Corynespora cassiicola</i>) Rust (<i>Puccinia</i> spp.)	5.0 (0.041 lbs prothioconazole/A) (0.122 lbs trifloxystrobin/A)
In Furrow and Banded	
Damping off (<i>Rhizoctonia solani</i>)	
<p>Note: Apply Stratego YLD Fungicide when disease first appears and continue on a 14-day interval if favorable conditions for disease development persist. Stratego YLD Fungicide may be applied by ground, air or chemigation. Use of an adjuvant may enhance the performance of Stratego YLD Fungicide. If utilized, apply the lowest label recommended rate of a NIS adjuvant to enhance disease control.</p> <p>In-furrow and Banded use: Apply up to 5.0 fl oz per acre (0.343 fl oz per 1000 row feet if on 36 inch row spacing) either banded or in the furrow at planting.</p> <p>General Comments: Do not apply more than 15 fl oz of Stratego YLD Fungicide (0.122 lbs prothioconazole, 0.366 lbs trifloxystrobin) per acre per year including all soil and foliar applications. Do not apply within 30 days of harvest. Do not apply more than 2 sequential applications of Stratego YLD Fungicide or any other QoI Group 11 fungicide without alternation with a fungicide from another group.</p>
